

OUR STORY

Boston Day Spa is where the Kuriftu brand was born, a testament to our commitment to community empowerment. It is here that the spirit of our team took shape; dedicated artisans who once built this sanctuary by hand now deliver exceptional wellness experiences. What began as a capacity-building project in Addis Ababa has transformed into a sanctuary of well-being, showcasing the work of celebrated Ethiopian artists like Merikokeb Berhanu.

WHAT WE OFFER

Our Services

Hair Salon

Indulge in a transformative experience at our Hair Salon, where natural light and vibrant art create a serene atmosphere of luxury. Each visit is a personal journey, guided by skilled hands that understand the beauty of every texture. At

Steam / Sauna / Jacuzzi

Surrender to serenity in our private Steam and Sauna rooms, where the exquisite mosaics of Merikokeb Berhanu transform each space into an artful sanctuary. Whether sharing a peaceful retreat with friends or seeking solace in a quiet

Massage Cave

Step into our Massage Cave, where nature’s textures and local materials converge to create a sanctuary of warmth and tranquility. The air is filled with soothing aromas, inviting you to release tension and renew your spirit. Our

rejuvenation.

a deeply personal experience.

Mani / Pedi

Experience the art of relaxation with our signature manicure and pedicure treatments, where skilled hands craft serene moments of care and rejuvenation. Set against a tranquil backdrop, each treatment is designed to restore balance, leaving your hands and feet nourished and revitalized. Immerse yourself in a space where beauty meets tranquility, and experience a ritual that transcends the ordinary, tailored to your unique sense of well-being.

Facial

Discover the transformative power of our facial treatments, where each experience is a journey into serenity. Drawing on local ingredients and ancient wisdom, our expert therapists craft rituals that nurture and renew. Surrounded by calm and nature, allow your skin to breathe and glow as time slows and tranquility envelops you. A moment of restorative beauty designed to awaken the senses and reveal a radiant, refreshed complexion.

Wax

In a setting of quiet grace, our waxing rituals are performed with gentle precision and care. Rooted in thoughtful technique and refined touch, each treatment offers not only smoothness but a sense of renewal. Within this serene space, the body is honoured—refreshed and restored—through a practice that blends beauty with stillness and simplicity with mastery. A seamless moment of self-care, both delicate and empowering.

In a space where calm and craft converge, our barbering experience honors the timeless art of grooming. Each gesture is intentional, each detail considered—offering more than a haircut, but a quiet return to self. Here, tradition is redefined with grace, inviting you to slow down, restore, and emerge with presence, clarity, and poise. A refined ritual within the stillness of Boston Day Spa.
